BRADY'S BULLETS.

**A Half-breed Gets the Drop on a Stock Thief.**

**Four Children Burned to Death at Angola, Ind.**

Special to the Star.  
MUSKOGEE, I. T., May 15.—A negro named Isaac Berryhill stole a yearling from William Brady, a half-breed. Brady pursued the thief, both being on horseback. Berryhill fled across the prairie for seven miles, when his horse gave out and he jumped to the ground and faced his pursuer, but Brady had got the "drop" on him and fired, putting a ball through his breast. The negro then put one hand on the wound and the other on his horse and waited for Brady to come up. The latter, having exhausted his own ammunition, coolly seized that of his victim, and reloading his gun, sent a ball through Berryhill's brain and another through the heart. The negro fell dead.

**HOLE THROUGH HIS HEAD.**  
SAN ANTONIO, May 15.—Sam Stockbridge, a telegraph messenger at Laredo, went to the Postoffice to mail letters, and was shot in the eye by a boy at the Postoffice. The ball came out back of his head. Stockbridge will die. The boys had a dispute.

**JOHN ALLENDORF'S NARRATIVE.**

At the time of the attack by Indians they were making, he says, from \$5,000 to \$4,000 a day. Mackenzie's troops en route for the scene of the massacre, CAUGHT BY HIS HORSE.

**BROWN TOWN, IND., May 15.**—Isaac Gibson, an ex-convict who lives near this place, was kicked a horse and trapped upon yesterday, thereby crushing his breast and stomach. It is thought he has sustained fatal injuries.

In this way the "poem" will find a place in the permanent record.

**DOING A VOTE.**

Stephenson, Democrat, to-day introduced a resolution to declare the sense of the House to be that there should not be an adjournment of this session until Congress has some law prescribing the method of the electoral count. Unanimous consideration of the resolution was refused by

the various members of both parties, who do not wish to vote on the question.

GAUGERS' LEAVE OF ABSENCE.

Governor Young presented to-day a petition from James B. Wallace and fifty-seven other citizens of Cincinnati, and petitions from New York and Massachusetts, praying for the passage of his bill granting thirty days leave of absence to Gaugers and Storekeepers.

Petitions for the passage of the bill come to the Governor every day.

THE DEBATE ON ADJOURNMENT.

WASHINGTON, D. C., May 15.—The House resumed this morning the consideration of the adjournment resolution. Its passage is opposed mainly by the Free Traders led by Randolph Tucker, who opposed it in the Committee of Ways and Means. Two hours have been spent in filibustering. Tucker, in a speech which was applauded at every sentence, said that Congress was shirking its duty by adjourning, that it was admitting its inability to meet the tariff question.

AS TO RIGHTS OF BURIAL.

NEW YORK, May 15.—The Supreme Court, general term, has unanimously decided on the appeal against the burial of Dennis Coppens in Calvary Cemetery. The authorities refused to exclude Coppens' remains on the ground that he was a Freemason and a Protestant. The general term decision upholds the right of those who control cemeteries to make conditions as to the persons who shall be buried within the grounds. It appears the defendants were not bound by contract or law to bury Coppens in Calvary.

Our city fathers are contemplating with much pleasure their expectant trip to Cincinnati next week. WASHINGTON, May 15.—On motion of Mr. Dickey, the House took up and passed the bill to construe and define an act to cede to the State of Ohio the unsold lands in the Virginia Military District in said State, approved February 18th.

Mr. Stevenson asked leave to offer the following resolution for immediate consideration: "Resolved, That it is the sense of this House that no final adjournment of this session of Congress should occur until an act shall have been passed or a joint rule established providing the manner in which the Electoral vote shall be counted at the approaching Presidential election."
